REGULARLY SCHEDULED SERIES FLYER

CONFIDENTIALITY STATEMENT: The purpose of Cedars-Sinai Regularly Scheduled Series (RSS) are to review the care of patients to promote continuous clinical quality improvement, patient safety, and clinical education. Although efforts are made to de-identify patient information, participants in these RSS shall comply with all federal and state privacy laws, including HIPAA, and participants are prohibited from disclosing to non-participants anything discussed during the presentations, as well as any written materials received. Confidentiality must be maintained for all presentations, including those that occur in-person, and through videoconferencing technology.

NON-PHYSICIAN ATTENDANCE:

Participation credit will be provided to other health care professionals via your CME Portal transcript. Participants should ensure in advance that their credentialing or licensing organization accepts AMA PRA Category 1 Credits™.

ABS CC (MOC) RECOGNITION STATEMENT:

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn credit toward the CME requirements of the American Board of Surgery's (ABS) Continuous Certification (CC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABS credit.

How do you get the MOC Points?

Before earning any MOC points, you must:

- Log into your account in the CME Portal (<https://cedars.cloud-cme.com/>)
- Update your profile with your board diplomate number and date of birth.

Points will not be awarded retrospectively.
