High-Speed, Weekend Board Review Crash Course Serving the East and West Coasts
ONE-THIRD THE TIME, ONE-THIRD THE COST AND THRICE THE LEARNING

For the latest course information and to register, visit cedars-sinai.edu/giboardreviewcme
There’s an ever-present need to be board-certified. We drastically ease the process, and provide a superb full gastroenterology review for all GI practitioners. The authors of the best-selling Acing the GI Board Exam series of books have created an acclaimed weekend board review course based on concepts from the books. That’s right, all you need is a Saturday and Sunday, and we do the rest. It will be an animated, fast-paced learning spree for all! We make learning and reviewing gastroenterology fun!

COURSE DESCRIPTION AND STATEMENT OF NEED
This interactive, didactic experience serves as a review to aid the clinical practice for gastroenterologists, hepatologists, interventional endoscopists and advanced practice providers as well as gastroenterology fellows, because we cover virtually all aspects of clinical gastroenterology, hepatology and endoscopy. We cover general gastroenterology (including IBS, GERD and iron deficiency), inflammatory bowel diseases (including Crohn’s disease and ulcerative colitis), hepatology (including NASH, Hepatitis B and C, cholestatic liver diseases and portal hypertension), endoscopy (colonoscopy, EUS and ERCP), pancreaticobiliary disease (including chronic pancreatitis and imaging), and much, much more!

ACCREDITATION STATEMENT
Cedars-Sinai Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT
Cedars-Sinai Medical Center designates this live activity for a maximum of 12.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC RECOGNITION STATEMENT
Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 10 MOC Part II points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program.
