7th Annual Symposium on Lysosomal Storage Disorders

This conference is free, with limited seats for up to 65 registrants!

This continuing medical education conference will update members of the multidisciplinary care team on most recent advances in identification, diagnosis, pathophysiology, management and treatment of a wide range of lysosomal storage disorders. The theme of the course is translation of scientific breakthroughs to the bedside. Highlights include presentation and discussion of various clinical cases and a clinical update on and newborn screening for Gaucher Disease. Cardiovascular disease in MPSII and topics related to new treatment modalities, including intrathecal enzyme replacement will also be explored.

FEATURED TOPICS:
- Advances in molecular diagnosis of lysosomal storage disorders
- Promise and pitfalls of newborn screening for lysosomal storage disorders
- Breakthroughs in therapies from the bench and bedside

COURSE DIRECTORS
Barry E. Rosenbloom, MD, FACP
Tower Hematology Oncology Medical Group
Clinical Professor of Medicine
Cedars-Sinai

Natalie M. Gallant, MD, FACMG
Clinical Genetics and Medical Biochemical Genetics
Miller Children’s and Women’s Hospital
Long Beach Memorial Medical Center
Assistant Clinical Professor
Division of Genetic and Genomic Medicine
University of California, Irvine

FEATURED FACULTY
Elizabeth Chao, MD, FACMG
University of California, Irvine

Jonathan D. Cooper, PhD
Harbor-UCLA Medical Center

Patricia Dickson, MD
Harbor-UCLA Medical Center

Virginia E. Kimonis, MD, PhD
University of California, Irvine

Kathryn Singh, MPH, MS
University of California, Irvine

Raymond Y. Wang, MD
University of California, Irvine

SPECIAL GUEST FACULTY
Hans C. Andersson, MD, FACMG
Tulane University Medical School

Jill Weimer, PhD
Sanford School of Medicine

WHERE
Cedars-Sinai Medical Center
Advanced Health Sciences Pavilion, PEC 6&7
8701 Gracie Allen Drive
Los Angeles, CA 90048

WHEN
Friday, December 8, 2017
8:00 A.M. – 4:45 P.M.

REGISTER TODAY!

Seating is limited, and registration is required. For the latest course information and to register, visit cedars-sinai.edu/lsdcme.
