ACTIVITY INFORMATION

COURSE DESCRIPTION AND STATEMENT OF NEED

The 20th Annual Emergency Medicine Symposium: A Practical Update is a cutting-edge course that will provide participants with the latest clinical information to support the delivery of fast and accurate diagnoses and treatment decisions. Expert faculty will share their broad knowledge and clinical expertise, energy, and commitment to emergency medicine. This one-day activity will cover current and emerging trends in the emergency department (ED) and will include content on modern resuscitation, current hot topics will include non-opiate alternatives to pain management, best practice management for atrial fibrillation and flutter often seen in the emergency department. We will begin to explore and possibly define long COVID and PASC. An expert in ultrasound will teach us how transesophageal echo can be done and used by emergency physicians to assess quality of resuscitation. The best practices to care for the geriatric population in the emergency department will be reviewed and the very latest articles in trauma and emergency care will be discussed. We will have a special guest lecturer talk about how to identify and treat new emerging pathogens. Finally, we will have a discussion on how to combat compassion fatigue and rules to live by as an emergency care providers.

TARGET AUDIENCE

Specialties - Cardiology, Critical Care Medicine, Emergency Medicine, Family / General Medicine, Gastroenterology, Geriatrics, Imaging, Infectious Disease, Internal Medicine, Nuclear Medicine, Orthopaedic Surgery, Pain Management, Palliative Care, Pediatrics, Psychiatry, Pulmonary Medicine, Radiology, Surgery.

ACCREDITATION STATEMENT

Cedars-Sinai Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

Cedars-Sinai Medical Center designates this Live Activity for a maximum of 7.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NON-PHYSICIAN ATTENDANCE

A certificate of participation will be provided to other health care professionals requesting credits. Participants should ensure in advance that their credentialing or licensing organization accepts AMA PRA Category 1 Credits™.

IN-PERSON EVENT HEALTH AND SAFETY

As you know, the health and safety of our community are always our top priorities at Cedars-Sinai. We continue to monitor US Centers for Disease Control and Prevention (CDC) and Los Angeles County guidelines for mass gatherings and will make updates accordingly. Participants in any event should be thoughtful about their individual risks and consider avoiding public gatherings if they are of higher risk.
