EARN UP TO 6.25 AMA PRA CATEGORY 1 CREDITS™!

For more course information and to register, visit cedars.cloud-cme.com/entcme

CEDARS-SINAI®

The “Eerie ENT Cases” conference offers participants a unique one-day learning experience that sets aside perfection momentarily in favor of openly discussing adverse outcomes and near misses in otolaryngology. Within a supportive learning environment, expert faculty will guide you through the exploration of some of the scariest ENT cases and will participate on panels for in-depth discussion.

In addition to content that focuses adverse events and near misses, the course will close with an award ceremony for the scariest photo and scariest video. Join your colleagues on Saturday, October 26, 2019. Don't be afraid to admit that errors and near misses happen!

Together, we can learn from these cases by applying the recommendations and solutions that will avoid adverse events or offer insight into managing them more effectively should they arise.

ACCREDITATION STATEMENT

Cedars-Sinai Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

Cedars-Sinai Medical Center designates this live activity for a maximum of 6.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
