WHAT MAKES THIS COURSE **DIFFERENT?**

COURSE DESCRIPTION AND STATEMENT OF NEED

This interactive experience serves as a review to aid the clinical practice for gastroenterologists, hepatologists, advanced practice providers and gastroenterology fellows to aid in patient management, including virtually all aspects of clinical gastroenterology, hepatology and endoscopy. This course has been developed to meet the educational needs of practicing gastroenterologists and GI fellows, to improve their knowledge of gastrointestinal diseases and disorders and enhance the quality of their practice. Each content category – esophagus, stomach/duodenum, liver, biliary tract, pancreas, small intestine and colon – will explore anatomy, development and function/physiology; symptoms/clinical presentation; and the diseases and disorders in each. Participants will have the option of earning up to 12.5 MOC points with successful completion of a self-assessment module.

TARGET AUDIENCE

Gastroenterologists, hepatologists and gastroenterology advanced practice providers seeking a general review of the entire spectrum of gastroenterology.

ACCREDITATION STATEMENT

Cedars-Sinai Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

Cedars-Sinai Medical Center designates this Live Activity and preparation course for the GI Board Exam for a maximum of **12.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC RECOGNITION STATEMENT

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12.5 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
