CEDARS-SINAI®

ACTIVITY INFORMATION

The 19th Annual Cedars-Sinai Educational Meeting in Gastroenterology is a unique continuing medical education program designed to provide attendees with relevant information regarding new developments in gastroenterology and new approaches to the management of gastrointestinal diseases. A group of national experts, including several renowned guest faculty, will present new findings and guidelines in a clinical context that will be useful in your gastroenterology practice. Throughout the 18 years this program has been offered, the Center for Digestive Disease at Cedars-Sinai Medical Center has not only provided this important annual educational event, but has also contributed significantly to the changes in how gastroenterology is practiced worldwide.

This two-day conference is intended for gastroenterologists and all other healthcare professionals who treat patients with gastrointestinal disorders. In addition to lecture-format presentations, the course will also feature interactive formats including debate and panel discussions, Q & A sessions, case discussions and video presentations.

ACCREDITATION STATEMENT

Cedars-Sinai Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

Cedars-Sinai Medical Center designates this live activity for a maximum of 16.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NON-PHYSICIAN ATTENDANCE

Non-Physician Attendance Credit (RN, NP, PA and other learners) is provided to non-physicians who participate in activities that are designated for *AMA PRA Category 1 Credit(s)™*. The boards for AANP, NCCPA and ANCC accept courses approved by the ACCME for Category 1 Credit as meeting the continuing education requirements for license renewal.

ABIM MOC PART II RECOGNITION

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 10 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
