

CEDARS-SINAI®

8th Annual New Era International Multidisciplinary Sharing Meeting: A New Standard in Neurovascular Care

SEPTEMBER 9 - 11, 2016

Neurointerventionalists, neurosurgeons, neurologists, neurointensivists, internists, cardiologists, emergency department physicians, allied healthcare professionals and administrators will be updated on emerging treatments of stroke and neurovascular disorders.

CONFERENCE LOCATION

Loews Santa Monica Beach Hotel

1700 Ocean Ave., Santa Monica, CA, 90401, USA
1-866-563-9792

ACTIVITY INFORMATION

COURSE DESCRIPTION

Cerebrovascular disease and stroke management is highly complex. Healthcare providers must make time-sensitive, informed decisions about technology and treatment modalities for their patients to ensure the best possible outcomes.

This multi-day symposium will address this need by providing participants with a comprehensive, clinically relevant update on advances in the recognition and treatment of cerebrovascular disease, within a learning environment that encourages the exchange of experiences and treatment approaches.

This conference is designed to bring together physicians of different disciplines and expert faculty from the U.S., Canada and Asia to share experiences, research and treatment approaches in an effort to advance neurovascular care across a continuum of cultures and communities. Join your colleagues and expert faculty in cerebrovascular disease for this milestone event that will inform, engage and provide you with practical information that can be applied in care to meet the unique needs of a complex patient population.

TARGET AUDIENCE

Neurointerventionalists, neurosurgeons, neurologists, neurointensivists, internists, cardiologists, emergency department physicians, allied healthcare professionals and administrators will be updated on emerging treatments of stroke and neurovascular disorders.

EDUCATIONAL OBJECTIVES

- Share clinical expertise, review the latest outcomes and research, and evaluate treatment approaches to cerebrovascular disease with colleagues and expert faculty
- Recognize differences in patient populations in the East and West when selecting optimal treatment strategies for conditions affecting circulation to the brain, including stroke and aneurysm
- Evaluate diagnostic neuroimaging techniques used in the detection of intracranial stenosis and carotid artery occlusions to optimize clinical decision-making
- Apply best practices in the diagnosis and treatment of acute stroke and the mechanisms of stroke recovery
- Develop treatment decisions based on the clinical status of the patient, vascular anatomy of the aneurysm, and surgical or endovascular considerations
- Discuss the results of CREST2 and WEAVE trial updates and the implications for the treatment of carotid atherosclerotic disease
- Compare and contrast diagnostic imaging techniques related to the diagnoses of cerebrovascular disease
- Describe current imaging and treatment for ischemic and hemorrhagic stroke
- Demonstrate competency in the principles of radiation protection standards to ensure patient safety
- Review the major risk factors associated with cerebrovascular pathologies

ACCREDITATION STATEMENT

Cedars-Sinai Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

Cedars-Sinai Medical Center designates this live activity for a maximum of 15 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSES

The California State Board of Registered Nursing accepts courses approved by the ACCME for Category 1 credit as meeting the continuing education requirements for license renewal.

ASRT

ASRT credit has been applied for and is pending.

POLICY ON DISCLOSURE

It is the policy of Cedars-Sinai Medical Center to ensure balance, independence, objectivity and scientific rigor in all its educational activities. Cedars-Sinai Medical Center assesses conflicts of interest with its faculty, planners and managers of CME activities. Conflicts of interest that are identified are resolved by reviewing that presenter's content for fair balance and absence of bias, scientific objectivity of studies utilized in this activity, and patient care recommendations.

While Cedars-Sinai Medical Center endeavors to review faculty content, it remains the obligation of each physician or other healthcare practitioner to determine the applicability or relevance of the information provided from this course in his or her own practice.

ACKNOWLEDGMENT OF COMMERCIAL SUPPORT

Commercial support for this conference is pending and will be acknowledged at the conference.

ACTIVITY DETAILS

PARKING

Parking rates for daytime-only conference attendees are as follows:

Valet - \$15 plus tax (with validation)

Parking rate for registered overnight guests with 24-hour in and out privileges are as follows:

Overnight Valet - \$40 per day plus tax

HOTEL ACCOMMODATIONS

Loews Santa Monica Beach Hotel

1700 Ocean Ave, Santa Monica, CA 90401

888-332-0160

A limited number of Standard rooms have been reserved at a special conference rate of \$289 per night, plus tax. Rooms at our special rate are available until August 1, 2016. Reservations will be accepted on a space and rate availability basis, and the special group rate is not guaranteed. To make reservations, call 888-332-0160 as soon as possible. Be sure to state that you are attending the Cedars-Sinai Symposium in order to receive the special group rate.

REGISTRATION

8th Annual New Era International Multidisciplinary Sharing Meeting: A New Standard in Neurovascular Care

SEPTEMBER 9-11, 2016

REGISTRATION METHODS

ONLINE registration: csmc.edu/cme and click on CME Courses

MAIL form to: Cedars-Sinai Medical Center

Office of Continuing Medical Education, Attn: Registration

8797 Beverly Blvd., Suite 250, Los Angeles, CA 90048

FAX form to: 310-423-8596

For additional course or registration information call 310-423-5548.

REGISTRATION FEES PHYSICIAN ALLIED HEALTH *RESIDENT/ FELLOW

FULL CONFERENCE - Friday-Sunday

Received by 8/29/16 \$375 \$200 \$200

Received after 8/29/16 \$425 \$250 \$250

ONE Day - Saturday OR Sunday

Received by 8/29/16 \$200 \$100 \$100

Received after 8/29/16 \$250 \$150 \$150

**Residents/Fellows are eligible to attend for a reduced registration fee. In order to receive this reduced fee, please send the written proof of residency (e.g., letter from Program Director) along with your completed registration form, or upload the written proof of residency if registering online.*

CONFIRMATION

In order to receive a registration confirmation, please provide your email address. If you do not receive a confirmation, please call 310-423-5548 to confirm your registration.

REFUND POLICY

All cancellations must be submitted in writing, and refunds will be subject to a \$75 administrative charge. No refunds will be given after August 29, 2016.

CANCELLATION POLICY

Cedars-Sinai reserves the right to cancel or reschedule programs due to circumstances beyond its control, or close registration when programs are oversubscribed. Registrants are advised against purchasing nonrefundable airline tickets until they receive registration confirmation. Cedars-Sinai is not responsible for penalties incurred as a result of cancelled transportation costs.

AGENDA

FRIDAY, SEPTEMBER 9, 2016

6:30–8:00 P.M. Welcome reception and early registration – **Location:** *Ocean Terrace*

SATURDAY, SEPTEMBER 10, 2016

7:00–8:00 A.M. Registration/Continental breakfast/Exhibits – **Location:** *2nd Floor Conference Room*

CAROTID/CEREBRAL ANEURYSM MANAGEMENT

8:00 – 8:20 A.M.	Welcome remarks	<i>Michael Alexander, MD; Peter Rasmussen, MD; Wei-Jian Jiang, MD</i>
8:20 – 8:45	Techniques for carotid aneurysm clipping	<i>Frank Hsu, MD</i>
8:45 – 9:10	3-D printing technique assisted hybrid surgery for aneurysms/AVMs	<i>Yuan-Li Zhao, MD</i>
9:10 – 9:35	Endovascular management of blister aneurysms	<i>Gabor Toth, MD</i>
9:35 – 10:00	Horizontal-stent-assisted coiling for basilar tip aneurysms	<i>Xiao-Dong Xie, MD</i>
10:00 – 10:15	Break / Exhibits	
10:15 – 10:40	Treatment strategy and pre-op evaluation for aneurysm embolization	<i>Xiao-Long Zhang, MD</i>
10:40 – 11:05	Flow diversion in subarachnoid hemorrhage	<i>Michael Kelly, MD</i>
11:05 – 11:30	Endovascular management of small supraclinoid aneurysms	<i>Mark Bain, MD</i>
11:30 – 11:55	Flow-diverting device for large and giant intracranial aneurysms	<i>Qiang Li, MD</i>
12:00 – 1:00 P.M.	Lunch	

CAROTID ATHEROSCLEROTIC DISEASE

1:05 – 1:30	CREST2 trial update	<i>Suhail Dohad, MD</i>
1:30 – 1:55	Carotid artery stenting via radial artery approach	<i>Tian-Xiao Li, MD</i>
1:55 – 2:20	Treatment of severe profound carotid stenosis by staging stents	<i>Huai-Zhang Shi, MD</i>
2:20 – 2:45	HD MRI in imaging intracranial stenosis	<i>Zhaoyang Fan, MD</i>
2:45 – 3:00	Break / Exhibits	
3:00 – 3:25	WEAVE trial update	<i>Michael Alexander, MD</i>
3:25 – 3:50	Clinical outcomes of individualized stenting in MCA stenosis	<i>Wei-Jian Jiang, MD</i>
3:50 – 4:15	Management of moyamoya	<i>Peter Rasmussen, MD</i>
4:15 – 4:40	Angiogenesis in intracranial atherosclerosis	<i>Nestor Gonzalez, MD</i>
4:40 – 5:00	What is the current role for intracranial stenting and bypass?	<i>Panel Discussion</i>
5:00 – 5:15 P.M.	Discussion and adjournment	

SUNDAY, SEPTEMBER 11, 2016

7:00 – 8:00 A.M. Registration/Continental breakfast/Exhibits – **Location:** 2nd Floor Conference Room

CAROTID / ANTERIOR CIRCULATION STROKE

8:00 – 8:20 A.M. Welcoming remarks

8:20 – 8:45 Time machine: Shorten onset to puncture time in thrombectomy *Shuichi Suzuki, MD*

8:45 – 9:10 Endovascular management of acute carotid occlusion *Ferdinand Hui, MD*

9:10 – 9:35 Endovascular treatment of acute tandem ICA/MCA occlusion *Liang-Fu Zhu, MD*

9:35 – 10:00 Management paradigms for carotid occlusions *Victor Urrutia, MD*

10:00 – 10:15 Break / Exhibits

10:15 – 10:40 Clinical outcomes in revascularization of LVO in older patients *Yi-Qun Zhang, MD*

10:40 – 11:05 Using imaging biomarkers to predict outcomes in stroke *Steven Small, MD*

11:05 – 11:30 The role of MRI evaluation in carotid artery occlusion *Feng-Yuan Man, MD*

11:30 – 11:55 New classification and treatment of cavernous sinus AV fistulas *Peng Zhang, MD*

12:00 – 1:00 P.M. Lunch

NEUROCRITICAL CARE AND CEREBRAL HEMORRHAGE

1:10 – 1:35 ICU management of vasospasm *Wengui Yu, MD*

1:35 – 2:00 ICU management of ICH *Susan Samuel, MD*

2:00 – 2:25 ICTUS2 trial results and hypothermia for stroke *Thomas Hemmen, MD*

2:25 – 3:00 Hemispherectomy in stroke management *Shouri Lahiri, MD*

3:00 – 3:15 Break / Exhibits

3:15 – 3:40 What is the role for IT and intracerebral tPA? *Asma Moheet, MD*

3:40 – 4:05 Minimally invasive techniques and monitoring in ICH *Jeff Chen, MD*

4:05 – 4:30 Endoscopic intracranial hematoma evacuation *Robert Ryan, MD*

4:30 – 4:55 ENRICH trial update *Michael Alexander, MD*

5:00 – 5:15 P.M. Discussion and adjournment
