CEDARS-SINAI®

COURSE DESCRIPTION

The 2019 Orthopaedic Trauma symposium will present the latest operative and non-operative techniques and strategies used in the care of patients with complex upper- and lower-extremity injuries. Morning sessions will address fractures of the wrist and hand, forearm and elbow, clavicle and humerus. Afternoon sessions will explore fractures of the foot and ankle, tibia, femur and hip, as well as the importance of managing expectations in rehabilitation. Each of the four sessions will be followed by ample time for questions, discussion and interaction with faculty.

ACCREDITATION STATEMENT

Cedars-Sinai Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

Cedars-Sinai Medical Center designates this live activity for a maximum of 7.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

PHYSICAL THERAPY

Cedars-Sinai Medical Center PM&R Academics is an approved provider for the Physical Therapy Board of California.

This course has been evaluated for a designation of 2.0 hours of continuing competence credit.
