24th International Symposium on Pancreatic & Biliary Endoscopy
January 26-29, 2017

OPTIONAL PROGRAM AND MINI-SYMPOSIUM ON JANUARY 26!
• Radiation Safety in Digital Fluoroscopy Program
• Live Endoscopy Symposium on Non-Pancreaticobiliary Conditions
• Video Review of Live Procedure Demonstrations
• Fellows and Nurses/Technicians Programs

COURSE CO-DIRECTORS
Simon K. Lo, MD • David Carr-Locke, MB, BChir, DRCOG • Takao Itoi, MD, PhD

CONFERENCE LOCATION
Cedars-Sinai Medical Center
Harvey Morse Conference Center
Plaza Level, South Tower
8701 Gracie Allen Drive
Los Angeles, CA 90048

This course is endorsed by the American Society for Gastrointestinal Endoscopy

For the latest course information and to register, visit cedars-sinai.edu/pancreaticbiliarycme
The Cedars-Sinai 24th International Symposium on Pancreatic and Biliary Endoscopy will be held in cooperation with three major endoscopy centers in North America, Europe and Asia. This unique course offers an intensive and comprehensive review of pancreatic and biliary endoscopy for gastroenterologists, gastroenterology fellows and gastroenterology nurses. Symposium planners have invited expert faculty to perform multiple live EUS and ERCP procedures to demonstrate technique and technology for the benefit of participants watching the live feed in the Cedars-Sinai auditorium. Participants will be provided with a list of the various cases, and are encouraged to ask questions through the session moderator about what they are viewing.

To reinforce skills, attendees may participate in hands-on workshops designed for GI fellows and GI nurses, and are also encouraged to attend the new “video forum” portion of the program that will feature short video clips of various clinical scenarios, followed by a Q&A session. Also new to this year’s symposium is a special radiation safety course that will provide attendees with four credit hours needed for renewal of California Fluoroscopy Supervisor’s licenses. In addition to the live-procedure video feeds, symposium faculty will present the latest and most relevant information on pancreatic and biliary endoscopy using a variety of traditional formats, including lectures, panel discussions, case review and Q&A. Balanced viewpoints, special techniques and practical clinical approaches will be highlighted throughout the program.

This year’s special symposium features:

• Eleven hours of ERCP procedure demonstrations, telecast live from Cedars-Sinai
• Radiation safety course that satisfies new California requirements for earning four CME credits every two years to support the safe and effective clinical uses of fluoroscopy
• More than 20 clinically coherent and carefully chosen didactic topics
• Current literature review, including significant findings pertaining to ERCP and EUS
• Ample time for questions and discussion with colleagues and faculty throughout the program
• Concurrent GI fellows program (practicing gastroenterologists are invited to attend, space permitting)
• Bonus session for GI fellows and nurses
• New video forum
• Optional non-pancreaticobiliary endoscopy demonstration on Thursday afternoon

Our renowned international faculty will bring unique knowledge and excitement to share with you!

TARGET AUDIENCE
This educational activity will provide an intensive and comprehensive review of pancreatic and biliary endoscopy for gastroenterologists, gastroenterology fellows and gastroenterology nurses, with specific workshops offered for each segment of the target audience.

EDUCATIONAL OBJECTIVES

• Evaluate the most recent information in diagnosing and managing patients with pancreaticobiliary diseases
• Watch live video feeds of ERCP and EUS procedures demonstrated by experts in the field as they perform and guide viewers through multiple patient cases
• Apply the latest research and strategies to establish evidence-based treatment for patients with pancreatitis and pancreatic cancer
• Review advances in clinical research and discuss the implications for clinicians involved in managing patients with pancreatic and biliary disease
• Describe recommendations and methods for improving endoscopy efficiencies that do not compromise patient safety or quality of care
• Enhance knowledge of the pathophysiology, diagnosis and management of digestive diseases for which endoscopic procedures are indicated, and evaluate techniques and technologies utilized in the field
• Explore training, research and career opportunities for interventional fellows with colleagues and expert faculty
• Discuss current and emerging diagnostic and therapeutic techniques in GI endoscopy and their application in GI nursing
• Apply recommended methods for reprocessing ERCP and EUS scopes to prevent infection outbreaks and ensure patient safety
ACCREDITATION STATEMENT
Cedars-Sinai Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT
Cedars-Sinai Medical Center designates this live activity for a maximum of 33.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

RADIOLOGY AND FLUOROSCOPY
11.0 credits of the course (specific to ERCP demonstrations) may meet requirements in the state of California toward renewal of the radiology and fluoroscopy supervisor’s license. The “Radiation Safety in Digital Fluoroscopy Optional Program” meets California educational requirements for physicians who hold radiation Operator & Supervisor Permits, and provides four CME credits in radiation safety for the clinical uses of fluoroscopy that are currently required every two years to retain the Fluoroscopy Operator and Supervisor Permit.

CONTINUING NURSING EDUCATION
The California State Board of Registered Nursing accepts courses approved by the ACCME for Category 1 credit as meeting the continuing education requirements for license renewal.

INTERVENTIONAL FELLOWSHIP
Gastroenterologists interested in applying for an Interventional Endoscopy Fellowship are invited to contact Dr. Simon Lo through the CME Office. Send an email with your contact information and “interventional endoscopy fellowship” in the subject line to cme@cshs.org.

POLICY ON DISCLOSURE
It is the policy of Cedars-Sinai Medical Center to ensure balance, independence, objectivity and scientific rigor in all its educational activities. Cedars-Sinai Medical Center assesses conflicts of interest with its faculty, planners and managers of CME activities. Conflicts of interest that are identified are resolved by reviewing that presenter’s content for fair balance and absence of bias, scientific objectivity of studies used in this activity, and patient care recommendations.

While Cedars-Sinai Medical Center endeavors to review faculty content, it remains the obligation of each physician or other healthcare practitioner to determine the applicability or relevance of the information provided from this course to his or her own practice.

ACKNOWLEDGMENT OF COMMERCIAL SUPPORT
Commercial support for this course is pending and will be disclosed at the symposium.

HOTEL INFORMATION

Sofitel Los Angeles
8555 Beverly Blvd.
Los Angeles, CA  90048
310-278-5444

CSMC has arranged for a block of rooms at the Sofitel Los Angeles, at special conference rates:

<table>
<thead>
<tr>
<th>ROOM TYPE</th>
<th>ROOM RATE/NIGHT</th>
</tr>
</thead>
<tbody>
<tr>
<td>Superior King</td>
<td>$269 + Tax</td>
</tr>
<tr>
<td>Superior Double</td>
<td>$299 + Tax</td>
</tr>
<tr>
<td>Luxury King</td>
<td>$299 + Tax</td>
</tr>
</tbody>
</table>

The room block and special rates are available until Wednesday, January 11, 2017, at which time the conference rate can no longer be guaranteed. There are instances where the room block sells out prior to the cutoff date, so please register for the conference and make your hotel reservations early.

To make reservations, please call 310-278-5444. Be sure to tell the reservation agent that you are attending the Pancreatic and Biliary Endoscopy Symposium in order to guarantee the special rate. All reservations must be guaranteed and accompanied by a first night’s room deposit, or guaranteed with a major credit card.

SHUTTLE SERVICE
If you are staying at the Sofitel L.A. and do not wish to walk to CSMC, a shuttle service will be available to take you to and from the hotel and medical center. A schedule will be provided when you check in at the Sofitel.
OPTIONAL RADIATION SAFETY IN DIGITAL FLUOROSCOPY PROGRAM

RADIATION SAFETY IN DIGITAL FLUOROSCOPY
Program designed by and in cooperation with the Radiation Safety Program and Diagnostic Medical Physics Group at Cedars-Sinai Medical Center. This session meets California educational requirements for physicians who hold radiation Operator & Supervisor Permits, and provides four CME credits in radiation safety for the clinical uses of fluoroscopy that are currently required every two years to retain the Fluoroscopy Operator and Supervisor Permit.

8:00 A.M. Radiation Safety in Digital Fluoroscopy: Risks, Benefits and Perspectives  
Donna Earley, MS

9:00 Radiation Safety in Digital Fluoroscopy: Instrumentation and Operation  
Yifang (Jimmy) Zhou, PhD

10:00 Radiation Safety in Digital Fluoroscopy — Mobile Fluoroscopy  
Janet Z. Allahverdian, MHP

11:00 Radiation Safety in Interventional Endoscopic Procedures  
Karl K. Kwok, MD; Sofiya Gukovsky-Reicher, MD

12:00 P.M. Radiation Safety Program Adjourns

Live Endoscopy Symposium on Non-Pancreaticobiliary Conditions

12:30 P.M. Registration and Box Lunch

1:10 Welcome  
David Carr-Locke, MB, BChir, DRCOG; Takao Itoi, MD, PhD

LIVE PROCEDURE DEMONSTRATIONS

Audience can sign up to attend an optional video review of some of these procedures immediately following this session.

Endoscopists: Peter D. Siersema, MD, PhD; Robert H. Hawes, MD; Irving Waxman, MD; Takao Itoi, MD, PhD; Gregory G. Ginsberg, MD; David Carr-Locke, MB, BChir, DRCOG

1:15 Session I  
Moderators: Adam Slivka, MD, PhD; Jacques Van Dam, MD, PhD

**CONFIRMATION**

A confirmation letter and receipt will be emailed to you. If you do not receive a confirmation, please call 310-423-5548 to confirm your registration.

**CANCELLATION AND REFUND POLICY**

Cedars-Sinai reserves the right to cancel or reschedule programs due to circumstances beyond its control, or close registration when programs are oversubscribed. Registrants are advised against purchasing non-refundable airline tickets until they receive confirmation from the CSMC Office of CME. Cedars-Sinai is not responsible for penalties incurred as a result of canceled transportation fees. Written requests for cancellation must be received by Monday, January 9, 2017. A partial refund, less a $120 handling fee, will be issued following the meeting. After January 9, 2017, no refunds will be given. For further information, please contact the Office of Continuing Medical Education at 310-423-5548 or cme@cshs.org.

We encourage participation by all individuals. If you have a disability, advance notification of any special needs will help us better serve you.

The Harvey Morse Auditorium is located on the plaza level, South Tower of the Medical Center. A short 15-mile taxi ride from LAX will bring you to the medical center or the Sofitel.

**DIRECTIONS**

- **From LAX:** Merge onto West Century Blvd. from World Way. Take I-405 ramp north for 8 miles. Exit CA-2/Santa Monica Blvd., merge onto Cotner Ave. and turn right onto Santa Monica Blvd., continuing on for 3.6 miles. Turn right onto Beverly Blvd. Cedars-Sinai will be on the right. The Sofitel is just .1 mile past the medical center on the left at La Cienega Blvd.

- **From the Santa Monica Freeway (I-10):** Exit La Cienega Blvd. (north). Turn left on Beverly Blvd. to San Vicente Blvd. Turn left on San Vicente to Gracie Allen Drive. Turn right on Gracie Allen Drive.

- **From the San Diego Freeway (I-405):** Exit Wilshire Blvd. (Westwood). Proceed to Robertson Blvd. Turn left on Robertson to Alden Drive. Turn right on Alden. Alden Drive becomes Gracie Allen Drive at George Burns Drive.

- **From the Hollywood Freeway heading south (US101):** Exit Highland Ave. Proceed south to Beverly Blvd. Turn right onto Beverly Blvd. Turn left onto San Vicente Blvd. Turn right onto Gracie Allen Drive.

- **From the Sofitel:** A short 3-minute walk west on Beverly Blvd. will bring you to Cedars-Sinai, or you can take advantage of the complimentary shuttle service to/from the Sofitel and the medical center.

**PARKING AT CEDARS-SINAI**

Self-parking is available in CSMC Visitor lots (P1, P2, etc).
REGISTER TODAY!

24th International Symposium on Pancreatic and Biliary Endoscopy
January 26-29, 2017

PROGRAM FEATURES
• Live ERCP/EUS Procedure Broadcasts
• Didactic Lectures
• Case Discussions
• Literature Review

OPTIONAL PROGRAM AND MINI-SYMPOSIUM ON JANUARY 26!
• Radiation Safety in Digital Fluoroscopy Program
• Live Endoscopy Symposium on Non-Pancreaticobiliary Conditions
• Video Review of Live Procedure Demonstrations
• Fellows and Nurses/Technicians Program

Earn up to 33.5 AMA PRA Category 1 Credits™
