TBI and SCI Rehabilitation: From Stabilization to Community Participation

SATURDAY, SEPTEMBER 15, 2018
7:15 A.M. TO 4:00 P.M.

This educational activity is intended for psychiatrists, neurologists, internists, family practitioners, neurosurgeons, psychologists, physical and occupational therapists, speech-language pathologists and other healthcare providers who see patients with acute traumatic brain and spine injuries.

CONFERENCE LOCATION

Luxe Hotel Sunset Boulevard
11461 Sunset Blvd., Los Angeles, CA
310-476-6571

CEDARS-SINAI

DEPARTMENT OF PHYSICAL
MEDICINE AND REHABILITATION

TBI and SCI Rehabilitation: From Stabilization to Community Participation

Traumatic brain injury (TBI) affects more than 1.7 million Americans annually; spinal cord injury (SCI) incidence rates are at 43-77 per million. Both types of traumatic injuries result in debilitating conditions that affect participation in mobility, activities and productive work.

Clinicians, patients and their families face different and unique challenges based on the type and extent of injury. Impairments in function can range from mild to severe, and result in physical, cognitive and psychological limitations.

This one-day program will provide participants with updated information regarding concerns associated with plotting the trajectories of TBI and SCI patient recoveries. In addition to formal presentations and Q&A, case studies will be used to evaluate trauma rehabilitation in both spinal cord injury and brain injury.

TARGET AUDIENCE

This educational activity will address the educational needs of physical medicine and rehabilitation physicians, nurses, nurse practitioners, physical and occupational therapists, speech-language pathologists and psychologists, as well as other clinicians involved in the treatment of patients with traumatic spine and brain injuries.

INSTRUCTIONAL METHOD: LIVE LECTURE AND DISCUSSION

COURSE OBJECTIVES

- Improve diagnostic and stabilization techniques for patients with acute trauma to ensure timely diagnosis and avoid missed injuries
- Discuss the rehabilitation needs of individuals with spinal cord injuries and the importance of managing complications and related sequelae
- Integrate advances and techniques in stabilization, management and rehabilitation of individuals with traumatic brain injury
- Recognize the effect of traumatically induced disruption of brain function on the endocrine system and the implications for TBI patient long-term recovery
- Join the “Stop the Bleed” campaign and encourage others to learn what to do when confronted with a life-threatening bleeding situation

CEDARS-SINAI MEDICAL CENTER FACULTY

Richard V. Riggs, MD

Course Director

REGISTRATION FEES

RECEIVED BY 9/7/18

Physician	\$185
Allied Health Professional	\$120
Resident/Fellow	\$80

RECEIVED AFTER 9/7/18

Physician	\$235
Allied Health Professional	\$160
Resident/Fellow	\$110

The registration fee includes CME credit, course materials and meal functions. All course materials are available online via the email information that will be sent to you at the email address you register with.

REGISTER ONLINE TODAY! cedars.cloud-cme.com/rehabcme

All registrations must be completed online. For additional course or registration information, call 310-423-5548.

For questions regarding allied health continuing education credit, special needs and accommodations, and other requests, please contact MariaCecilia.Alpas-an@cshs.org or call 310-423-5243. For information on grievances related to this workshop, please include the name and date of this workshop and submit the complaint to the contact provided above.

Complete the online registration, continue to the payment section and select "I will mail a separate check for my registration."

MAIL PAYMENT

(with checks made payable to Cedars-Sinai Medical Center) to:
Cedars-Sinai Medical Center
Office of Continuing Medical Education
Attn: Registration
8797 Beverly Blvd., Suite 250
Los Angeles, CA 90048

CONFIRMATION

A registration confirmation will be sent to you via the email address you registered with.

If you do not receive a confirmation, please call 310-423-5548 to confirm your registration.

REFUND POLICY

All cancellations must be submitted in writing, and refunds will be subject to a \$50 administrative charge. No refunds will be given after September 7, 2018. Please email cancellation requests to cme@cschs.org. If you do not receive confirmation of your cancellation via email, please call 310-423-5548.

CANCELLATION POLICY

Cedars-Sinai reserves the right to cancel or reschedule programs due to circumstances beyond its control, or to close registration when programs are oversubscribed. Registrants are advised against purchasing nonrefundable airline tickets until they receive registration confirmation. Cedars-Sinai is not responsible for penalties incurred because of cancelled transportation costs.

We encourage participation by all individuals. If you have a disability, advance notification of any special needs will help us better serve you.

For further information, please call the Office of Continuing Medical Education at 310-423-5548.

CONFERENCE LOCATION

Luxe Hotel Sunset Boulevard
11461 Sunset Blvd.
Los Angeles, CA 90049
310-476-6571

PARKING

Valet-only parking is available at the hotel.

DIRECTIONS

Take the 405 freeway and exit at Sunset Blvd. Proceed west on Sunset Blvd. The Luxe Hotel will be on the north (right) side.

TBI and SCI Rehabilitation: From Stabilization to Community Participation

SEPTEMBER 15, 2018

- 7:15 A.M.** **Registration and Breakfast**
- 7:45** **Welcome Remarks and Overview**
Course Directors: Richard Riggs, MD & Pam Roberts, PhD
- 8:00** **Acute Trauma: Stabilization, Missed Injuries**
Rodrigo Alban, MD
- 8:45** **Spinal Cord Rehabilitation**
Rita Hamilton, DO
- 9:30** **Neuro-imaging**
Marcel Maya, MD
- 10:00** **Break**
- 10:15** **Case Studies in Trauma Rehabilitation: Spinal Cord Injury
Therapy Panel including Community Partner**
- 11:00** **State of Rehabilitation: Technology and Innovation**
Bruce Gans, MD
- 11:30** **“Stop the Bleed” Community Program: Demonstration**
- 12:00 P.M.** **Lunch**
- 12:45** **Brain Injury Trauma: Stabilization and Management**
Asma Moheet, MD
- 1:15** **Brain Injury Rehabilitation**
Neil Jasey, MD
- 2:00** **Endocrine Management of Brain Injury**

- 2:15** **Break**
- 2:30** **Case Studies in Trauma Rehabilitation: Brain Injury
Therapy Panel**
- 3:00** **Patient Perspective**
- 3:30** **Coping and Cognition in Trauma**
Jeffrey Wertheimer, PhD & Bryce Erich, PsyD
- 4:00** **Wrap-Up/Course Evaluation**
- 4:15 P.M.** **Adjourn**

ACCREDITATION STATEMENT

Cedars-Sinai Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

Cedars-Sinai Medical Center designates this live educational activity for a maximum of 7.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSES

The California State Board of Registered Nursing accepts courses approved by the ACCME for Category 1 credit as meeting the educational requirements for license renewal.

ALLIED HEALTH PRACTITIONERS

Instructional Method: Live Lecture and Discussion

Cedars-Sinai Medical Center PM&R Academics is an approved provider for the Physical Therapy Board of California, The American Occupational Therapy Association, the American Psychological Association, and the American Speech-Language-Hearing Association.

This course is being evaluated for designation of up to 7 hours of continuing education credits. CE credits will be awarded and certificates of attendance will be sent to participants who have completed all the requirements for course completion.

OCCUPATIONAL THERAPY CE INFORMATION:

Content Level: Beginner/Intermediate

Content Focus: Category 2,

Occupational Therapy Process

The assignment of AOTA CEUs does not imply endorsement of specific course content, products or clinical procedures by AOTA.

SPEECH-LANGUAGE PATHOLOGISTS

This course is being offered for .7 ASHA CEUs

(Intermediate Level, Area: Professional; Subject

Code: 7010-Service Delivery Associated with Speech/Language/Swallowing/Hearing).

Cedars-Sinai Medical Center, Dept. of Physical Medicine & Rehab is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. See course information for number of ASHA CEUs, instructional level and content area. ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.

POLICY ON DISCLOSURE

It is the policy of Cedars-Sinai Medical Center to ensure balance, independence, objectivity and scientific rigor in all its educational activities. Cedars-Sinai Medical Center assesses conflicts of interest with its faculty, planners and managers of CME activities. Conflicts of interest that are identified are resolved by reviewing that presenter's content for fair balance and absence of bias, scientific objectivity of studies utilized in the activity, and patient care recommendations.

While Cedars-Sinai Medical Center endeavors to review faculty content, it remains the obligation of each physician or other healthcare practitioner to determine the applicability or relevance of the information provided from this course in his or her own practice.

ACKNOWLEDGMENT

Educational grant support for the course is pending. Any commercial support received will be acknowledged at the meeting.
