ACTIVITY INFORMATION

COURSE DESCRIPTION

The Cedars-Sinai *International Endoscopy Symposium* will be held in cooperation with leaders of multiple major endoscopy centers in North America, Europe and Asia. For the 26th year, this signature course will offer an intensive and comprehensive review of pancreatic and biliary endoscopy for the benefit of gastroenterologists, gastroenterology fellows, and gastroenterology nurses and technicians. The 2019 symposium will feature focused educational tracks as well as an optional one-day Thursday program on advanced luminal endoscopy, with live procedure demonstrations in the afternoon. On Friday morning, a special session on GI cancer has been added to provide participants with the most relevant information in gastric, esophageal, pancreaticobiliary and colorectal cancers.

Invited expert faculty will perform multiple live luminal endoscopy, EUS and ERCP procedures to demonstrate techniques and technology for the benefit of participants watching the live feed in the Cedars-Sinai auditorium. To reinforce skills and obtain more personalized educational content, attendees may participate in hands-on workshops designed for GI fellows and GI nurses.

ACCREDITATION STATEMENT

Cedars-Sinai Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

Cedars-Sinai Medical Center designates this live activity for a maximum of 31.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

RADIOLOGY AND FLUOROSCOPY

11.0 credits of the course (specific to ERCP demonstrations) may meet requirements in the state of California toward renewal of the radiology and fluoroscopy supervisor's license.

CONTINUING NURSING EDUCATION

The California State Board of Registered Nursing accepts courses approved by the ACCME for Category 1 Credit as meeting the continuing education requirements for license renewal.
