ACTIVITY INFORMATION

COURSE DESCRIPTION AND STATEMENT OF NEED

In this 15th Annual Cedars-Sinai Educational Meeting in Gastroenterology, a very special continuing medical education program has been designed to provide attendees with relevant information regarding new developments in gastroenterology and new approaches to the management of gastrointestinal diseases. A group of national experts, including several renowned guest faculty, will present new findings and guidelines in a clinical context that will be useful in your gastroenterology practice.

Throughout the 14 years that this program has been offered, the Center for Digestive Disease at Cedars-Sinai Medical Center has not only provided this important annual educational event, but has also contributed significantly to the changes in how gastroenterology is practiced worldwide. This two-day conference is intended for gastroenterologists and all other healthcare professionals who treat patients with gastrointestinal disorders. In addition to lecture format presentations, the course will include the following interactive instructional formats: debate and panel discussions, Q & A sessions, case discussions, and interactive video presentations. We look forward to, once again, providing you with the latest advances and future direction in the multidisciplinary management of common, unique and complex gastrointestinal disorders.

TARGET AUDIENCE

This educational activity is intended for gastroenterologists and other healthcare professionals who treat patients with gastrointestinal disorders.

EDUCATIONAL OBJECTIVES

- Evaluate the options for treatment of patients with gastroesophageal reflux disease (GERD)
- Review the use of Vedolizumab for patients with IBD
- Recognize the psychosocial issues in IBD
- Optimize IBD medical and surgical therapy
- Evaluate new and current medication options for patients with Hepatitis C virus
- Describe the burden of colon cancer nationwide and identify the recommended options for colorectal cancer screening
- Describe the essential concepts in GI medicine

ACCREDITATION STATEMENT

Cedars-Sinai Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

Cedars-Sinai Medical Center designates this live activity for a maximum of 18 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity

NURSES

The California State Board of Registered Nursing accepts courses approved by the ACCME for category 1 credit as meeting the educational requirements for license renewal.

POLICY ON DISCLOSURE

It is the policy of Cedars-Sinai Medical Center to ensure balance, independence, objectivity, and scientific rigor in all of its educational activities. Cedars-Sinai Medical Center assesses conflict of interest with its faculty, planners and managers of CME activities. Conflicts of interest that are identified are resolved by reviewing that presenter's content for fair balance and absence of bias, scientific objectivity of studies utilized in this activity, and patient care recommendations.

While Cedars-Sinai Medical Center endeavors to review faculty content, it remains the obligation of each physician or other healthcare practitioner to determine the applicability or relevance of the information provided from this course in his or her own practice.

ACKNOWLEDGMENT OF COMMERCIAL SUPPORT

Commercial support for this conference is pending. Companies who support this CME activity with educational grants will be acknowledged at the conference.

PARKING

Self-parking is available in the visitor parking lots P1, P2 (George Burns Road) or P4 (Sherbourne Drive).
