ACTIVITY INFORMATION

COURSE DESCRIPTION AND STATEMENT OF NEED

The 4th Annual Cedars-Sinai Update in Obstetrics and Gynecology conference is intended to review topics that are timely and relevant to general and subspecialty OB-GYN providers. Each presentation will address its topic with a focus on pertinent evidence in the literature that guides clinical care. A multidisciplinary and inclusive approach will be used to address latest controversies in the specialty relevant to each topic. One half of the day will cover obstetric topics, and the other half will cover gynecologic topics and hysteroscopy training. The obstetrics topics include postpartum hemorrhage, vaginal seeding, autoimmune diseases in pregnancy, and cerclage for prevention of preterm delivery. Gynecologic topics will include pregnancy of unknown location, advances in laparoscopy and radical hysterectomy. A lively debate on endometrial ablation will take place at lunchtime.

TARGET AUDIENCE

This activity is designed to meet the educational needs of general obstetricians and gynecologists, and nurse practitioners in academia and the community. Physicians-in-training are encouraged to attend as well.

EDUCATIONAL OBJECTIVES

- Understand why vaginal seeding is not yet recommended
- Know when to use tranexamic acid
- Utilize the latest recommendations for performing a comprehensive hysteroscopy
- Recognize how the symptoms of an autoimmune disease can improve, worsen or remain unchanged when a woman becomes pregnant

ACCREDITATION STATEMENT

Cedars-Sinai Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

Cedars-Sinai Medical Center designates this live activity for a maximum of 8.25 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSES

The California State Board of Registered Nursing accepts courses approved by the ACCME for Category 1 credit as meeting the educational requirements for license renewal.

POLICY ON DISCLOSURE

It is the policy of Cedars-Sinai Medical Center to ensure balance, independence, objectivity and scientific rigor in all its educational activities. Cedars-Sinai Medical Center assesses conflicts of interest with its faculty, planners and managers of CME activities. Conflicts of interest that are identified are resolved by reviewing that presenter's content for fair balance and absence of bias, scientific objectivity of studies utilized in this activity, and patient care recommendations.

While Cedars-Sinai Medical Center endeavors to review faculty content, it remains the obligation of each physician or other healthcare practitioner to determine the applicability or relevance of the information provided from this course in his or her own practice.

ACKNOWLEDGMENT OF COMMERCIAL SUPPORT

Commercial support for this conference is pending and will be acknowledged at the conference.

PARKING

Self-parking is available in visitor parking lots P1, P2 (George Burns Road) or P4 (Sherbourne Drive)
