

2022 Cedars-Sinai Parkinson's Disease Annual Symposium: A Holistic Approach

October 15, 2022

JW Marriott Santa Monica Le Merigot

At this CME symposium, expert faculty will discuss challenges and opportunities for clinicians and healthcare professionals managing patients with Parkinson's Disease including current and emerging medical and surgical advances that can be implemented to slow disease progression and improve patients' quality of life. Particular focus will be put on the holistic approach to a complex disorder including motor and non-motor symptoms, nutritional and lifestyle changes.
