ACTIVITY INFORMATION

COURSE DESCRIPTION AND STATEMENT OF NEED

Complex neurovascular and neurological conditions such as brain tumor, aneurysm, stroke, and disorders of the spine and nervous system require expertise in diagnosis and treatment. The aging U.S. population reinforces the urgent need for physicians and allied healthcare professionals to have the most current information on the prevention and treatment of Alzheimer's disease and other cognitive disorders. To ensure that physicians adopt, recommend, refer and/or design the best treatment strategies for their patients, they must be aware of trials and outcome data, advances in technology, guidelines, therapeutic windows and the signs and symptoms that can lead to early diagnosis.

EDUCATIONAL OBJECTIVES

- Utilize the latest evidence-based strategies for the prevention of brain diseases and counsel patients on making specific lifestyle modifications
- Consider emerging technologies for brain cancer and Alzheimer's Disease
- Review current and emerging pain management techniques for patients with spinal disorders
- Recommend physiotherapy and anesthesia in selected cases for the management of chronic back pain
- Discuss the benefits of surgical evaluation of epilepsy based on indications, benefits and limitations of surgical approach
- Discuss the results of recent clinical trials and emerging treatment strategies for stroke
- Evaluate the long-term effects of deep brain stimulation on symptom severity in patients with dystonia and Parkinson's disease

ACCREDITATION STATEMENT

Cedars-Sinai Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians

CREDIT DESIGNATION STATEMENT

Cedars-Sinai Medical Center designates this live activity for a maximum of 4.75 *AMA PRA Category 1 Credits™*. Physicians should claim only credit commensurate with the extent of their participation in the activity.

NURSES

The California State Board of Registered Nursing accepts courses approved by the ACCME for category 1 credit as meeting the continuing education requirements for license renewal.

TRAINING / CREDIT DISCLAIMER STATEMENT

While offering CME credit, this course is not intended to provide extensive training for certification in the field. Approval of category 1 credit by Cedars-Sinai Medical Center should not be construed as endorsement of any product.

POLICY ON DISCLOSURE

It is the policy of Cedars-Sinai Medical Center to ensure balance, independence, objectivity, and scientific rigor in all of its educational activities. Cedars-Sinai Medical Center assesses conflict of interest with its faculty, planners and managers of CME activities. Conflicts of interest that are identified are resolved by reviewing that presenter's content for fair balance and absence of bias, scientific objectivity of studies utilized in this activity, and patient care recommendations.

While Cedars-Sinai Medical Center endeavors to review faculty content, it remains the obligation of each physician or other healthcare practitioner to determine the applicability or relevance of the information provided from this course in his or her own practice.

ACKNOWLEDGMENT OF COMMERCIAL SUPPORT

Commercial support for this educational activity is pending and will be acknowledged at the conference.

AGENDA

Advances in Neurology and Neurosurgery 2016 – Bakersfield

SATURDAY, MARCH 12, 2016

7:30 A.M.	Registration and Breakfast	
8:00	Welcome and Overview	<i>Keith Black, MD</i>
8:05	Emerging Technologies for Brain Cancer and Alzheimer's Disease	<i>Keith Black, MD</i>
