

(SC-CORE) & Future of Endoscopy Summit

Pacific Design Center (PDC), Los Angeles

Day 1

1:00 PM | Welcome – PDC 5th Floor

Speakers:

Ken Park

Barham Abu Dayyeh

1:05 – 1:20 PM

Endoscopy 2.0: Is Robotics Optional or the Future of Surgical Endoscopy?

Speaker: Silvana Perretta

1:20 – 1:35 PM

Robotic Synergy: Redefining Partnerships Between Surgeons and Interventional Endoscopists

Speaker: Erik Wilson

1:35 – 1:50 PM

Novel Energy Meets Robotics: Reimagining Organ-Preserving Surgery

Speaker: Barham Abu Dayyeh

1:50 – 2:20 PM

From Concept to Clinic: Industry Perspectives on the Future of Robotics in Endoscopy

Moderator: Omar Khateeb

Panelists:

Oliver Wagner (Intuitive)

Matt Kroh (Medtronic)

Todd Wilson (EndoQuest)

Craig Munroe (Olympus)

Brian Dunkin (Boston Scientific)
Daehee Hong (Endorobotics)

2:20 – 3:20 PM | From Clinic to Concept: Surgeons' and Interventionalists' Perspectives on Robotics

Moderator: Dennis McWilliams

Panel 1 (2:20 – 2:50 PM)

Learning from Surgery: Pivots and Pitfalls for Successful Adoption of Robotics in Endoscopy

Panelists (Surgeons):

Harmik Soukiasian
Nicholas Nissen
Miguel Birch
Kambiz Kosari
Alexandra Ganji
Trip Buckley
Christy Dunst
Andres Teixeira
Ninh Nguyen
Andrew Hung
Edward Phillips
John Lipham

Panel 2 (2:50 – 3:20 PM)

Designing the Robotic Endoscopy of Tomorrow: Interventionalists' Requirements, Expectations, and Clinical Imperatives

Panelists (Interventionalists):

Manoel Galvao Neto
Jacques Bergman
Joo Ha Hwang
Kenneth Chang
Rashmi Advani
Jennifer Kolb
Raman Muthusamy
Nageshwar Reddy
David Carr-Locke
Rabindra Watson

3:20 – 3:40 PM | Break

3:40 – 4:40 PM

Novel Energy in Endoscopy and Surgery: Toward a New Therapeutic Paradigm

Moderator: Omar Khateeb

Panelists:

William Krinsky (Galvanize)

Joshua Stopek (HistoSonics)

Stacey Pugh (Endogenex)

Harith Rajagopalan (Fractyl)

Jacques Bergman

Nicholas Nissen

Harmik Soukiasian

Andrew Hung

4:40 – 5:00 PM

SC-CORE's Mission to Advance Robotics & Novel Energy in Endoscopy

Moderator: Ken Park

Panel:

All SC-CORE representatives from each center

5:00 – 5:15 PM

Innovation's Journey: Trials, Tribulations, and Triumphs

Speaker: Natan Zundel

5:15 – 6:30 PM

Reception & Networking – PDC-7

The Robotics Salon

Wine, Dine, and Dialogue with Leaders, Innovators, and Robots

7:00 PM

Faculty Dinner – Innovators' Night Out
